Old Business

- ❖ **RACG and Read Outloud** handout was given to members about these programs. The handout expresses concerns about Read Outloud training being poorly attended. Ms. Gilreath expressed that there may have been some miscommunication that it was thought only one person from each department was to attend. It may be operational for this exam period, but the concerns of this are as follows: headphone use, availability, and use of mobile labs (which are fully equipped, but will there be enough).
- ❖ **EPALS** has worked great with a few concerns (teacher CANNOT have graphics in their signatures and it does seem to be temperamental at times).
- ❖ **Campus Culture** update was given by Mr. Mitchell.

New Business

- ❖ The chair, Ms. DiAnna Kruse, is no longer able to serve in this position and has resigned. Ms. Keshetta Henderson and Ms. Janice Gilreath will be our new staff co-chairs for the 2011-2012 school year.
- ❖ Parent representation for PTSO will be:
 - ✓ Rhonda Snyder, President
 - ✓ Katie Smith, Vice President
 - ✓ Rebecca Stephens, Secretary
