Application Fee Waivers Based on Financial Need

Waivers of admission application fees for students with a demonstrated financial need and for whom an application fee would create an undue burden are provided at all of the 36 private colleges and universities as well as all of the 16 University of North Carolina system campuses. Please note that NC A&T State University will accept these fee waivers only during College Application Week.

Application fee waivers due to financial hardship are provided to ensure that no student is deprived of the opportunity to pursue admission to the institution(s) of their choice. Application fee waivers must be authorized by high school counselors through the College Board fee waiver program, if available, or otherwise by high school certification on school letterhead stationary.

Students who are eligible for fee waivers for the standard college entrance tests are usually eligible for application fee waivers as well. Encourage students to talk with their school counselor well in advance of College Application Week to discuss need and availability. The school counselor will complete the fee waiver form which should be mailed in with the college application (if hard copy) or confirmation page (if application was submitted online). Only high school counselors can request fee waivers directly from the College Board, students cannot request these.

College Board Fee Waivers

Counselors should have received "Request for Waiver of College Application Fee" forms as part of the SAT Program fee-waiver materials shipped to you in the summer, and you can distribute these to your students as necessary. If you need to request additional forms, call the Counselor Helpline at (888) SAT-HELP (888-728-4357). For more information on the College Board Fee Waiver program, please visit:
