The Orange County Schools directs principals to conduct a criminal record check on volunteers who may have unsupervised contact with children. The Orange County Schools also may conduct periodic and/or continuous criminal record checks on you after you start volunteering. If the Orange County Schools obtain these criminal record checks from a consumer-reporting agency, the reports are considered consumer reports under the federal Fair Credit Reporting Act. You are entitled to receive a copy of any report, if you request it, or if the school system modifies your volunteer status as a result. By completing this form you authorize the Orange County Schools to obtain a criminal history report. **This is NOT a credit report.**

I hereby authorize the Orange County Schools to obtain a criminal history report from a credit reporting agency, the North Carolina State Bureau of Investigation or other agencies, and waive any claim for damages or injury against the Orange County Schools or the provider of the report, except as provided by the Fair Credit Reporting Act.
