

ADDITION/ELIMINATION OF COURSE OFFERINGS

Date Reviewed/Approved: 12/06/2004

The Orange County Board of Education supports a wide array of course offerings. To support the changing needs and interests of our students, new courses may be added and existing courses eliminated.

New courses that are in the North Carolina Standard Course of Study and new courses not in the North Carolina Standard Course of Study require a review process. This process includes completion of a Course Addition Report, input from the School Governance Council/parents, and approval of the superintendent preferably prior to student registration. The resources needed to support the course should be included in the school and/or system budget for the following school year. Support for the course does not guarantee school and/or system funding.

Existing courses to be considered for elimination also require a review process. This process includes completion of a Course Elimination Report, input from the School Governance Council/parents, and approval of the superintendent or designee prior to omitting the course from student registration for the following year. The redirection of resources that support the course should be reflected in the school and/or system budget for the next school year.
