**PROCEDURE FOR PERMISSION TO USE STUDENT
PHOTOGRAPH/VIDEO**

Photographs/Videos

The Orange County School System seeks to promote the positive classroom experiences of students. To do so, schools or the district public information officer will frequently contact area news media to report on activities in our schools. In addition, the media may contact the school district for permission to photograph or video classroom or school activities. Media representatives may not photograph students without principal approval. The district also publishes student accomplishments on school or district web sites. Most parents enjoy seeing their children’s positive activities publicized; however, if you **do not** want us to release photos of your child, please do not sign the following form.

I give my permission for photographs/videos or other likenesses of my child to be released to the media (newspapers/TV) or published on school or district web sites and publications.
