

DUAL ENROLLMENT

Date Reviewed/Approved: 12/06/2004 *Policy Number:* 3426

Rescinds Policy Number: MFA; MFA-R; MFA-E

Issued: 6/99; 11/2/81; 11/2/81

The Board of Education believes that high school students should be given the opportunity to enroll in approved courses at accredited Institutions of Higher Education (IHE), NC Community College Transfer Programs, NC Community College Vocational and Technical Programs, and other accredited educational institutions while working towards high school graduation. Courses taken must provide opportunities beyond those available at the student's high school and must be of an advanced or expanded nature.
