

AWARDS AND SCHOLARSHIPS

Date Reviewed/Approved: 12/06/2004 Policy Number: 3465

Rescinds Policy Number: JN, KHA

Issued: 2/28/79, 2/28/79

All awards and scholarships, provided by any source, for students must have the approval of the superintendent's office. New awards and scholarships shall be presented to a standing review committee for approval before being approved.

All honors and awards presented to the students shall serve as incentives to enrich their school program and/or stimulation to their level of thinking and living. In all instances, the recipients of awards shall be selected by the appropriate committee, whether staff or lay persons, strictly on the merits of the students in contention for the awards according to the award or scholarship guidelines.
