Buses owned by the Board for the purpose of transporting school students may only be used to serve the instructional program of the schools. Special use of school buses shall only be permitted as allowed by state law and State Board of Education regulations. Presently state law allows for the use of school buses by Senior Citizens. Buses may be used for field trips upon the approval of the Superintendent.

Individual school activity buses may only be used for school activities.

The Superintendent shall see that state law and State Board of Education regulations are properly enforced.
