---

---

Professional personnel will be selected by the Board only upon the recommendation of the Superintendent.

To further quality education in the best interest of the children of the Orange County School System, the best qualified personnel without deference to outside influences will be recommended to the Board for approval.

Candidates for employment will be selected on the basis of:

- A. Application
- B. Academic qualification
- C. State certification
- D. Record of student teaching experience
- E. Record of teaching experience and/or related work experience
- F. References
- G. Personal interview
