
*Rescinds Policy Number: FEAB**Issued: 09/01/1979*

When the Board finds it necessary to select an architect, it shall be the policy of the Board to request interested architectural firms to submit a resume of qualifications and service. Prior to the awarding of a contract, public announcements of the proposed projects shall be made.

After review of the resumes submitted and Board interviews with selected firms under consideration, the Board shall arrive at a decision with respect to the particular firm recommended for approval by the Superintendent. In the event of approval, the Board of Education may execute a contract with the selected firm.
