Principals are held responsible for the supervision of and for care and upkeep of their buildings. They are required to see that teachers and students take proper care of buildings and equipment. Principals are charged with the responsibility of supervising custodial services in cooperation with the Director of Maintenance.

The Board expects operation and maintenance of the school plant, equipment, and services to set high standards of safety, to promote the health of pupils and staff, to reflect the aspirations of the community, and to support environmentally the effort of the staff to provide good instruction.

1. The LEA will regularly evaluate all support services of this type.
2. The LEA will modify services to meet need and to increase effectiveness.
